

Academic Standing Policy

Academic Standing

To be academically eligible to graduate from a program at St. Clair College, a student must pass all required courses and achieve a 2.00 Grade Point Average in the courses related to that program.

In cases of sub-standard performance, students will receive one of the following standings:

- **Academic Standing: Good** – A student will receive academic good standing at the end of a semester when the student has successfully completed all courses and received a GPA of 2.00 or greater.
- **Academic Standing: Probation** – A student will be placed on academic probation at the end of a semester if the term GPA falls below 2.00 or if the student fails 16 to 32% of the credit hours.
- **Academic Standing: Dismissal (Dismissal 1, Dismissal 2, Dismissal 3)** – Academic dismissal will result in mandatory drop from the coming semester. Readmission is not guaranteed if a student had poor academic record (e.g. poor attendance rate).

A student will receive an academic "dismissal" if he/she:

1. Fails 3 or more courses, or
2. Fails 33% or more of the program credit hours, or
3. Any student that has been previously placed on probation and their next consecutive semester calculates a 2nd probation, the student will automatically be placed on a 1st Dismissal, or
4. Fails the same course twice.
5. Is on probation following re-admission to a program and fails to achieve a semester GPA of 2.00 by the next evaluation period.

A student on academic warning or probation may be required to successfully complete failed courses before proceeding in the program.
