

Emergency Contact Information for Students:

In compelling circumstances where a student is sent to hospital for a serious injury or illness, or when a student's personal safety or the safety of others is believed to be at risk, Ace Acumen Academy notifies the emergency contact(s) provided by the student. If the emergency contact(s) cannot be reached or are not provided, or if Ace Acumen Academy deems that the emergency contact(s) are unable to respond appropriately to the situation, the student's next of kin (beginning with the student's spouse or parents) is notified immediately.
