

Academic Standing Policy

Academic Standing

To be academically eligible to graduate from a program at St. Clair College, a student must pass all required courses and achieve a 2.00 Grade Point Average in the courses related to that program. In cases of sub-standard performance, students will receive one of the following standings: academic warning, academic probation, or academic dismissal.

➤ **Academic Standing: Good** – A student will receive academic good standing at the end of a semester when the student has successfully completed all courses and received a GPA of 2.00 or greater.

➤ **Academic Standing: Warning** – A student will receive an academic warning at the end of a semester if 1% to 15% of the program hours within a term has been failed.
Academic Standing: Probation: A student will be placed on academic probation at the end of a semester when the Program semester GPA falls below 2.00 or if 16 to 32% of the program credit hours have been failed.

➤ **Academic Standing: Dismissal (Dismissal 1, Dismissal 2, Dismissal 3)** – Academic dismissal may be imposed if: three or more courses are failed; fails 33% or more of the program credit hours; has a Grade Point Average less than 2.00 for two consecutive semesters; fails the same course twice; is on probation following re-admission to a program and fails to achieve a semester GPA of 2.00 by the next evaluation period.

A student on academic warning or probation may be required to successfully complete failed courses before proceeding in the program.
