Ace Acumen Convocation, June 2023. Congratulations to our recent alumni!

SUMMER: THE TIME FOR BALANCE!

Hello Saints! Happy Canada Day and congratulations to our Alumni on their convocation! We are in the month of July and the season of summer. We are sure most of you are loving the warm days and sunshine. This month we encourage you to make every moment count. Strive for the balance between being excellent students and taking advantage of opportunities to stop and smell the roses. Finding a balance in school and life promises success in both areas. As newcomers to Canada, you can take small steps to enjoying this experience and contribute to your balance. Exploring your new surroundings may help you refresh, learn more about this new land and renew your energies to take on school life. Here are a few places to explore: the aquarium, zoo, a museum or a local park. There are also many campus activities planned for July with you in mind. Participate as much as possible and have an amazing July!

FUN FACT:

Canada Day commemorates the anniversary of the Constitution Act in 1867 that caused the joining of territories to the single nation of Canada.

MIDTERM PROGRESS REPORTS

As you have completed your midterm exams, you will receive a midterm progress report. Midterm grades are not a part of your permanent record. They are meant to give you an indication of your progress midway through the semester.

When you log into your SIS account, on the home page, you can click the green box that reads "SIS - Mid Term Progress" for direct access to your midterm progress report.

Beside each course you will receive one of the following:

RED - Average is below 50%
YELLOW - Average is between 50-63%
GREEN - Average is not at Risk

The report will allow you to identify which course(s) you need additional help with. If you receive a grade that is less than satisfactory, please contact a tutor and they can help you consider study strategies to improve your grade(s).

FALL 2023

TUITION FEE PAYMENT

Your Fall 2023 Tuition Fee Payment Deadline is Friday August 4th, 2023.

For your convenience, review this checklist:

- Add St Clair College Tuition as the "Payee"
- Your Account # is your Student ID# (excluding 'W')
- Check SIS Portal; payment has 3-5 business days
- Instructions will be sent to your MYSCC.ca email

TUTORING SERVICES

As Midterm Progress Reports have been published, students who have fallen in the RED zone (grade of 50 or lower) are strongly encouraged to seek out tutoring support.

Career Planning

Hello Saints, this week we will be exploring the concept of Career Planning. Career planning are the steps you take to identify a career path that is perfect for you. It allows empowers you to align your passion, interests and skills with your career options and helps you to create future goals.

An effective way to start your career planning is by **getting to know yourself** better. Think about what you would like to achieve, your skills, your interests, and the things you are passionate about. You should also consider your financial goals. Explore careers related to these (qualifications and skills requirement).

The next step is to **Explore the career options** that matches your goals. Research different fields, explore online resources such as job banks, get to know the labour market. You may also talk to people working in fields of interest. A good way to do this is through LinkedIn – reach out to professionals and set up informational interviews online. It is also important to **embrace learning opportunities** such as volunteering, part-time jobs, and summer programs.

There are many experts that can help you as you plan your career. Our Career Services Coordinators are happy to guide you along your journey. Feel free to set up a 1-on-1 appointment at a time convenient to you.
