TUTORING SERVICES

Ace Acumen offers the Peer Tutoring Program for students who seek academic support – assignments, tests, quizzes, or even just improving study habits. Tutoring sessions are available in a variety of options – online or in-person, individual or groups – to keep students comfortable and fit their needs.

See how tutoring made a positive impact on one of our students:

"I booked a session with Dhwani (IBM tutor), and it was very fruitful session for me, and she explained every aspect vividly and I was able to learn new things."

- Abhishek Manocha (IBM4B)

YOUR MENTAL HEALTH & WELLNESS MATTERS

Places to visit in Fall

by **Lavanya Atputharajah** (Student Engagement Advisor, Brampton Campus)

Fall is the season of giving! So here are a few special places I want to give to you to visit within the coming months.

Downey's Farm

Downey's Farm is a family owned farm in Caledon that specializes in fresh produce, sustainable farming, and educating their audience on various agricultural practices. They are famously known for their pumpkin patch, and their entertainment such as Pumpkin Fest and the Corn Maze. Go get your tickets now as this popular destination tends to get busy during the Fall season. Visit <https://downeysfarm.com/#openModal> for more information.

Beamer Memorial Conversation Area

Are you someone who likes to be outdoors? Are you someone who loves nature? Are you someone who enjoys a scenic view? If your answer is "yes" than this is the destination for you! Beamer Memorial Conversation Area is perfect for hiking with your friends and/or family. The trail leads to a beautiful water fall and is surrounded by hundreds of multicoloured trees.

HEALTH & SAFETY

AceWalk supports all Ace Acumen community members who may feel unsafe or uncomfortable walking across campus or to nearby public transit zones alone.

Volunteers work alongside campus security to provide accompaniment services to Ace Acumen community members who may feel unsafe walking across campus alone.

National Truth and Reconciliation Day

by **Daniela Rey-Gomez** (Student Engagement Advisor, Toronto Campus)

Every Child Matters

September 30th is The National Truth and Reconciliation Day. This day is observed in honour of the survivors, families and communities that were affected by the residential school system in Canada.

Orange Shirt Day is led on the same day, by an organization that intends to raise awareness of impacts on intergenerational impacts of residential school. Wearing orange promotes the concept of: "Every Child Matters", as the colour is a symbol of the stripping away of culture and freedom.
