Eid Mubarak

Eid al-Fitr marks the end of the holy month of Ramadan celebrated by Muslim communities in Canada and around the world! Eid al-Fitr is one of the most important religious events in the Islamic faith. It is a time for members of Muslim communities to gather and attend special morning prayers, enjoy communal meals, exchange gifts and greetings with family and loved ones. After a month of fasting and spiritual reflection, Eid al-Fitr is a joyous occasion for communities and a time of celebration.

Amarjit's Manga Series

How to read !

A Typical Isekai

Networking 2nd semester student Amarjit Chowdhury is a dedicated artist who created the satirical manga series titled "A Typical Isekai".

Manga is a style of Japanese comics and graphic novels, which often portrays a fantastical world. Isekai, which translates to "other world", is a subgenre of manga. Refer to the image on the left as a guide for how to read Amarjit's manga.

Make sure to grab a full sized copy of Amarjit's manga, which is displayed alongside the April edition of AceTalks. The next edition of AceTalks will showcase Chapter 2 of "A Typical Isekai", so keep an eye on your MYSCC email for the latest edition!
